

ELLICOTT EMPLOYEE REFERRAL PROGRAM

Receive cash for every family member or friend you refer to any Ellicott Development / Ellicott Hotels job posting!

\$100

for a part-time employee

\$200

for a full-time employee

New referral rates for anyone hired after 4/15/2021

How it Works

Tell a friend or a family member about one of our jobs, remind them to fill your name in on the application in the referred by line, sit back and wait for your check!

Is your family member or friend currently receiving unemployment benefits?

NO PROBLEM - They still can! By working UNDER 30 hours a week, they are still eligible for partial New York State benefits.

There are no limits to the number of job referrals you can make.

The Catch

The individual must be hired and new and in good standing through the 60 day probationary period.
